We have the password checking when user change their password.

We provide the tab control for user to search the restaurant by name, position rating and advance search.

Menu

ID	Name	Image	Input Image	Description
1	Apple Pie		<input type="button" value="瀏覽..."/> 未選擇檔案。	Take a bite of chunky hot apple from a crispy pie. It's as sweet as...can be!
2	Big Mac		<input type="button" value="瀏覽..."/> 未選擇檔案。	You need a big bite of this mega-mouthwatering classic of two all beef patties with lashings of unbeatable sauce, set on a sea of green lettuce, swamped in tangy pickle and onions, served with delicious melted cheese - all sandwiched

Edit the profile

We use topical organizational to categorize items by subject.

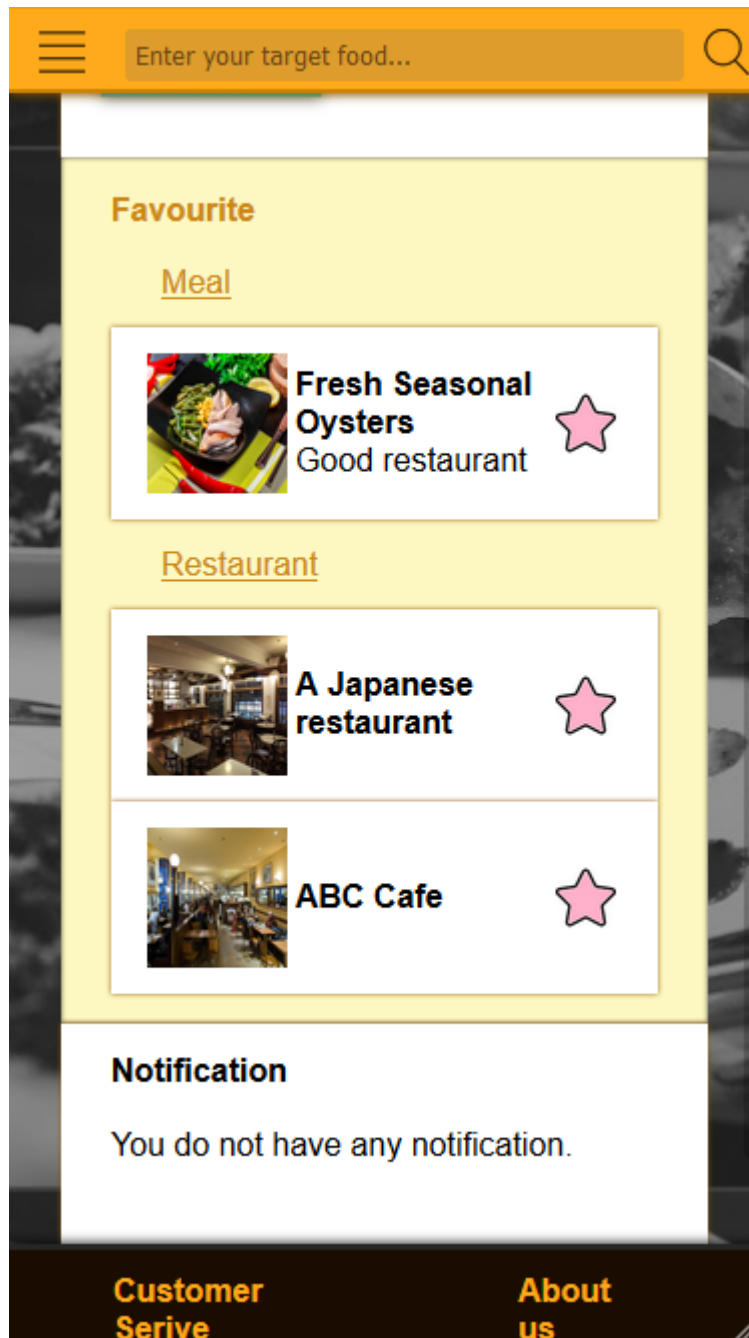

We also use task-oriented organizational to organize items by functionality or service.

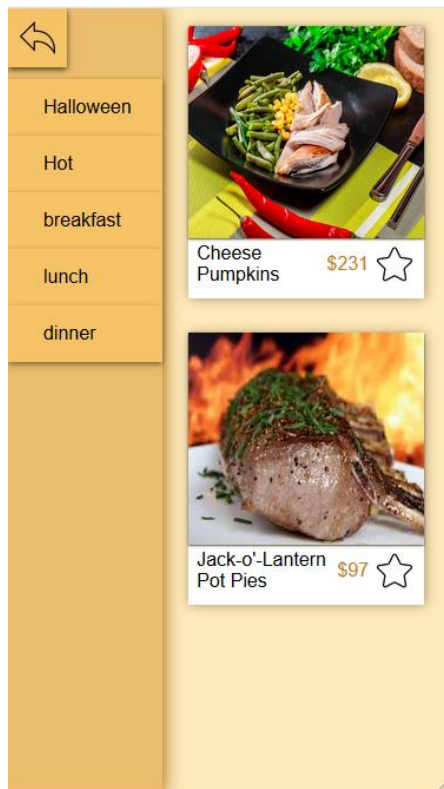

Visual Organization

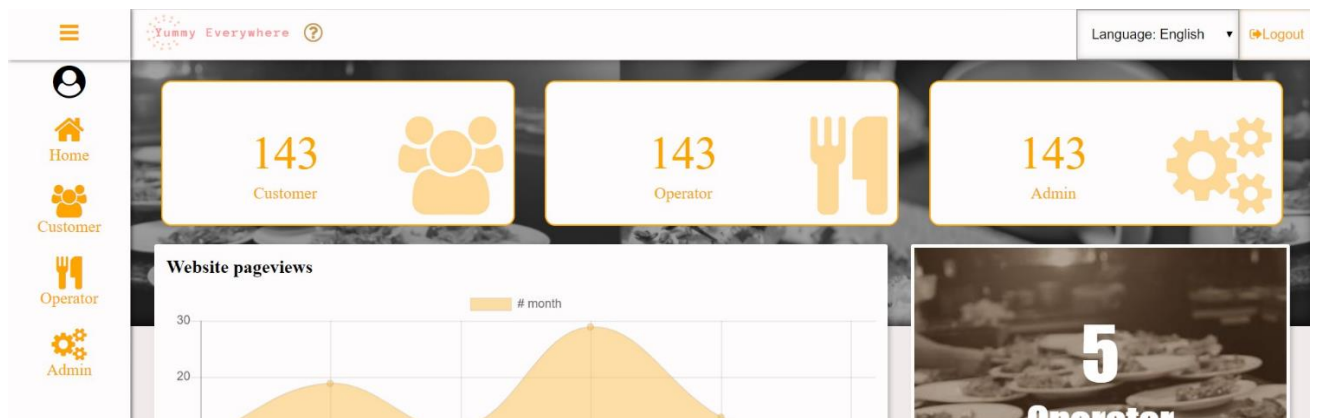

- Proximity

Group by the meal and restaurant.

Group by the food type.

We use organize users by user types.

- Alignment

Align the textbox and other input element.

- Consistency

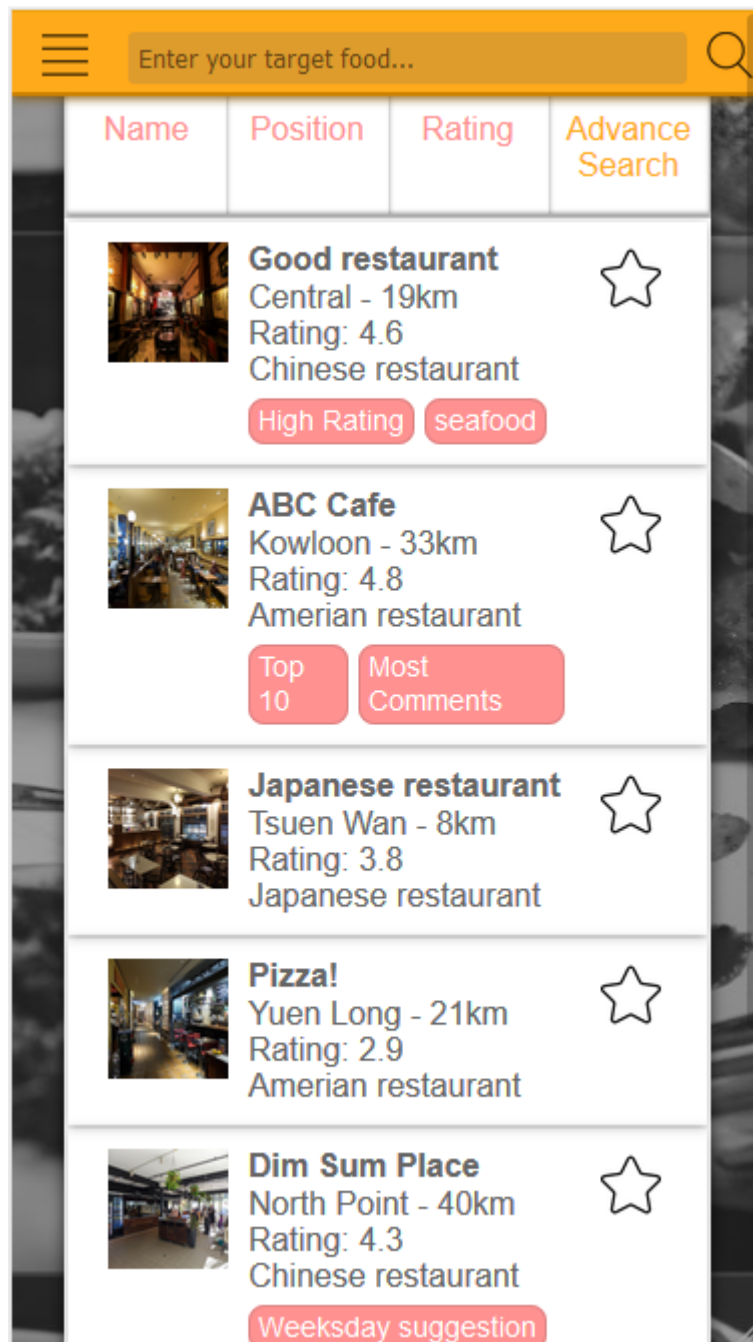

Special Menu

ID	Name	Type	Image	Input Image	Description	Price	Display	Save
1	<input style="width: 100px;" type="text" value="Angus Original"/>	<input style="width: 100px;" type="text" value="Autumn"/>		<input style="width: 40px; height: 20px; border: 1px solid #ccc;" type="button" value="瀏覽..."/> 未選擇檔案。	Fabulous fresh farm egg served in a lightly toasted muffin. Fancy that? It's cracking good stuff.	\$ 20	<input type="checkbox"/> Hide	<input style="width: 40px; height: 20px; border: 1px solid #ccc; background-color: #2e8b57; color: white;" type="button" value="Save"/>
2	<input style="width: 100px;" type="text" value="Tropical Orange I"/>	<input style="width: 100px;" type="text" value="Summer"/>		<input style="width: 40px; height: 20px; border: 1px solid #ccc;" type="button" value="瀏覽..."/> 未選擇檔案。	Slurp down your favorite flavor of delicious thick dairy shakes.	\$ 16	<input type="checkbox"/> Hide	<input style="width: 40px; height: 20px; border: 1px solid #ccc; background-color: #2e8b57; color: white;" type="button" value="Save"/>

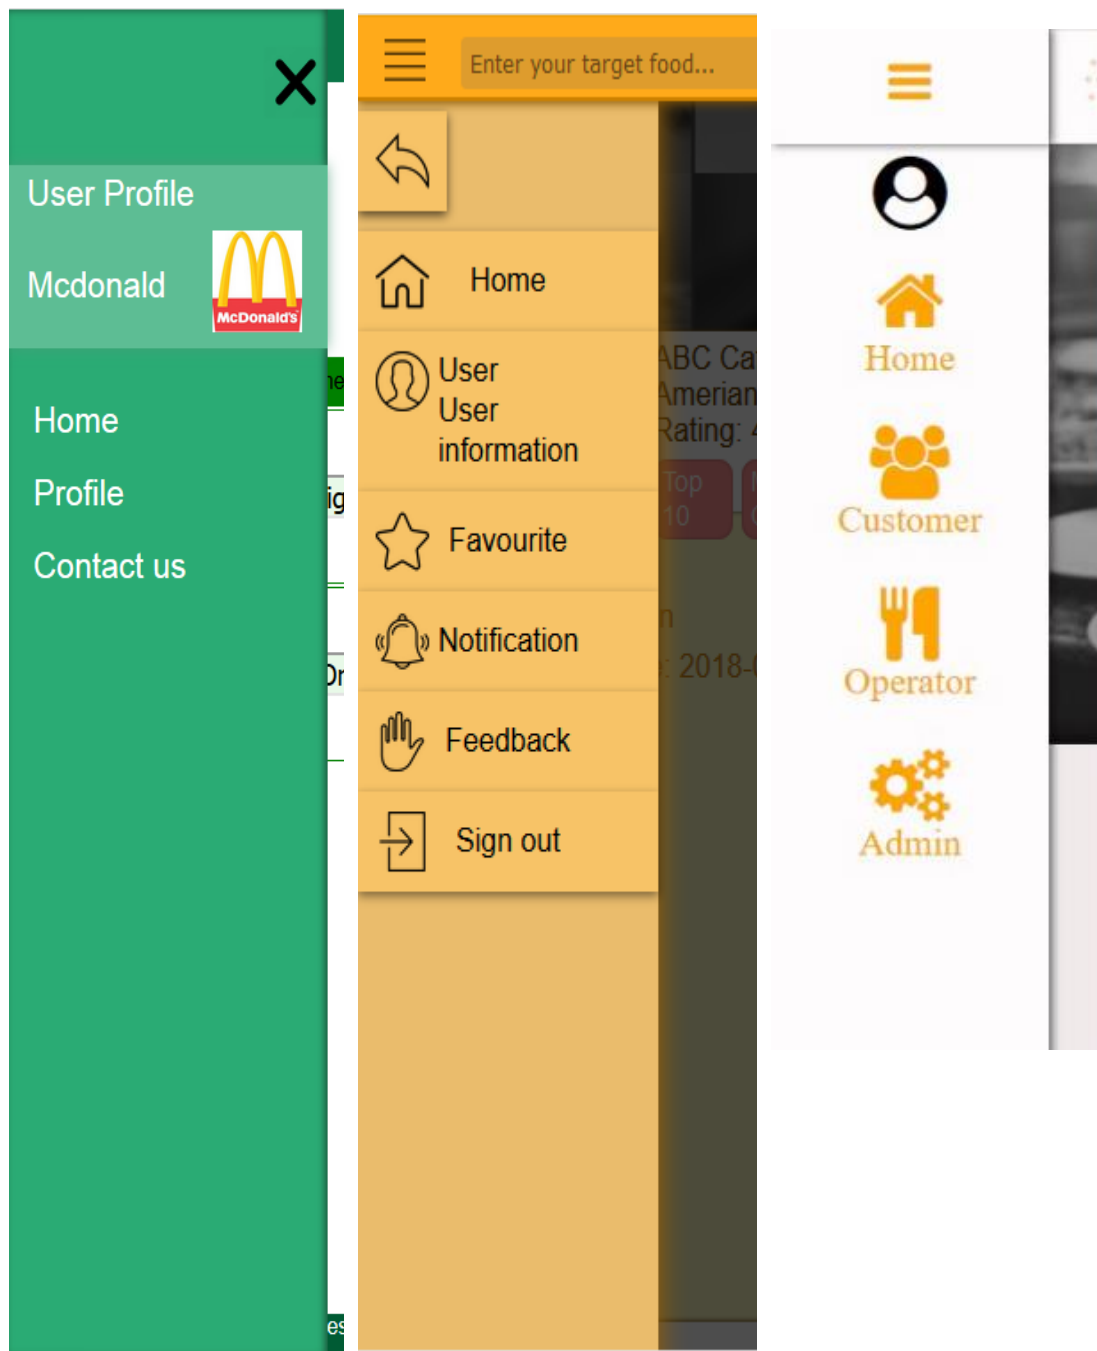

The button and the textbox are the same style in every page.

- Contrast

Include the high contrast content e.g. large and bold restaurant title

Navigation

We are using the same style page in every page.
The pop-up menu will also show the current
page by the left side of the page.
